5. Comments:

5.1) Please identify what you perceive to be the real strengths and weaknesses of this teaching assistant and course.

- Discussion Sheets
- I enjoyed being in section for this course. The TA was very knowledgeable about the topics we were covering in class and elaborated on them more in our section. Invited others to share as he had prepared discussion questions.
- I just didn't really go to the sections. I couldn't really find the motivation for it, especially since it was a Friday class. So I can't say much about the TA, she was good when I went. Sometimes she had a hard time explaining a concept in simpler terms so I would get a bit confused at times.
- The TA seemed knowledgable on the topic and changed the structure of the discussion sections based on student recommendations.
