5. Comments:

5.1) Please identify what you perceive to be the real strengths and weaknesses of this teaching assistant and course.

- Organized
- Sunny made a big effort to help the students and helped a lot with questions I had regarding lecture material. Even though she supported the TA strike, she still taught section to help students prepare for the exams. Please support the TA strike and give the TA's the raise they deserve!
- Sunny was amazing at explaining concepts for the course and it was clear she knew the material very well. Her office hours were really helpful and she was always super welcoming and nice. She was easy to approach to ask for help.
- Tan was a great TA, she really helped me master the material. Since Vogel's slides are very wordy, Tan did a great job of simplifying them and emphasizing the main key points to know, which I found really helpful.
