5. Comments:

5.1) Please identify what you perceive to be the real strengths and weaknesses of this teaching assistant and course.

- I liked how Sunny would answer all of our questions and stay behind the discussion period to answer any last minute questions.
- My TA did not strike. Thank You
- Sunny is a wonderful TA and I regret not going to her section more often. She is very organized and often expands on the problems that we do in discussion to help support our learning. I especially appreciate her willingness to record section and accommodate students. I couldn't look at my midterm on the day that we were suppose to, so Sunny very graciously emailed my exam to me. I can't thank her enough for that! With that, she's just a really smart person, and if I had the chance I would take the section with her again. On another note, Sunny your outfits were always so cute!
- Tan very clearly went through the discussion problems and helped us understand how to approach them. She was very organized and willing to help answer our questions.
