5. Comments:

5.1) Please identify what you perceive to be the real strengths and weaknesses of this teaching assistant and course.

- One strength of this teaching assistant was her explanations of difficult concepts. One weakness of this teaching assistant was that she would talk really fast sometimes.
- Sunny cares a lot about her students and it shows. But sometimes it can be hard to understand her.
- Sunny, the TA, was fantastic!!! Strengths: extremely knowledgeable and approachable. Weaknesses: none
- TA was very knowledgable, however the amount of material covered made discussions a bit slow. Overall, TA was good, the structure of the class was just a bit flawed.
- The reason I attended another section was because I found the first one I attended with my assigned section to be somewhat difficult to understand what was going on. Beyond that I cannot really make much comment on the TA, besides the fact that I appreciated their email notes, reviews, and whatnot.
- This TA was knowledgeable and well organized. She did what I would expect a TA to do for a class with a very large lecture size (200+ students).
- Very friendly and knowledgeable
