5. Comments:

5.1) Please identify what you perceive to be the real strengths and weaknesses of this teaching assistant and course.

- I liked the TAs of this course in general. I found them to be willing to improve the student experience, and open to meet outside of hours to help with the learning of the material. Sunny explained the topics in a straightforward way, although she often ran out of time to cover all of the questions. Nevertheless, she always posted the solutions at the end of the section.
- Passionate about subject and always willing to help.
