5. Comments:

5.1) Please identify what you perceive to be the real strengths and weaknesses of this teaching assistant and course.

- Sunny was great in talking with groups about their project and giving them guidance on what she had thought of where they currently were and what she advised as the next steps that should be taken.
- The guest speakers who attended this section were all excellent and helped me better understand and apply the concepts I had been learning in the base lecture. In particular, I really appreciated Terry Kramer's insights and his methodology in thinking about a case study. I also espcially appreciate Joe Walters' contribution with his negotiation week lectures and activities.
- excellent class
